Spirito d'Innovazione

Toolspress è leader mondiale nella progettazione e produzione di utensili e sistemi di bloccaggio di alta qualità, per presse piegatrici. Realizziamo prodotti all'avanguardia ed innovativi, sfruttando 30 anni di esperienza ed un ampio programma di produzione, con più di mille modelli standard, che ci permettono di valutare e risolvere le problematiche proposte, ottimizzando i vostri sistemi di piegatura.

Toolspress è composta da Quattro importanti divisioni:

- Utensili Standard di Alta Precisione per Presse Piegatrici
- Utensili Speciali di Alta Precisione per Presse Piegatrici
- Sistemi di Bloccaggio per Presse Piegatrici
- Soluzioni Industriali per Presse Piegatrici
- Lame da cesoia

Queste quattro divisioni sono indipendenti e utilizzano le tecnologie più avanzate disponibili nel mercato mondiale, in questo modo possiamo garantire prodotti di alta qualità senza paragoni. La qualità Toolspress è ben conosciuta nel mercato mondiale da molti anni. I nostri clienti sono per noi partners tecnologici, grazie ad una stretta collaborazione, risolviamo e incrementiamo le loro performance di piegatura. Il mercato globale richiede sempre più tecnologia a prezzi molto competitivi e nel minor tempo possibile, per questi motivi la nostra società ricerca e sviluppa metodi di produzione che ci permettono di soddisfare le richieste dei nostri clienti.

The Spirit of Innovation

Toolspress is a world-class designer and manufacturer of high-quality press brake tooling and clamping system. We provide the most innovative products in the fabricators industries. Through a great manufacturing program with more than thousand standard model, we are able to guide your choice of the best bending system in the fastest time, due to the long experience we got in 30th years.

Toolspress has four important divisions:

- Precision Ground Standard Press Brakes Tooling
- Precision Ground Special Press Brakes Tooling
- Press Brakes Clamping System
- Industrial Solutions for Press Brakes
- Shear blades

These four divisions are independent and both use the ultimate technologies in manufacturing process available in the world market, in this way we can guarantee high precision quality products with no comparison. Toolspress quality is very well known in the world market since many years. Ours customers are for us technological partners, in fact through a tight cooperation they let us solve and improve their bending performance. The global market needs always more and more technology to a very competitive prices in the shortest time. In this way our company develops manufacturing methods that allow us to meet our costumers requirements.

The Spirit of Innovation

Toolspress® ist der weltweit führende Entwickler und Hersteller von qualitativ hochwertigen Abkantwerkzeugen und Werkzeug-Spannsysteme. Wir entwickeln und vertreiben die innovativsten Produkte im Bereich der Abkanttechnik. Durch unser großes Herstellungsprogramm mit über tausend Standardwerkzeugen sind wir in der Lage, das von Ihnen gewünschte Werkzeugsystem innerhalb kürzester Zeit zu liefern. Toolspress® verfügt über eine 30-jährige Erfahrung in der Abkanttechnik.

- Toolspress® hat vier wichtige Bereiche:
- Präzisions Standard Abkantwerkzeuge
 - Präzisions Spezial Abkantwerkzeuge
 - Spannsysteme für Abkantwerkzeuge
 - Industrielle Lösungen für Abkantpressen
 - Shear blades

Diese vier Bereiche sind unabhängig, aber alle nutzen die neuesten auf dem Weltmarkt verfügbaren Fertigungstechnologie. Auf diese Weise können wir hochpräzise Qualitätsprodukte ohne Kompromisse garantieren.

Die Qualität von Toolspress® ist seit Jahren auf dem Markt bekannt.

Für uns sind unsere Kunden technologische Partner.

In enger Zusammenarbeit werden Lösungen erreicht und Abkantleistungen verbessert.

Die globalen Marktanforderungen fordern immer mehr Technologien, zu wettbewerbsfähigen Preisen, in kürzester Zeit. Daher entwickeln wir ständig neue Herstellungsverfahren, die es uns erlauben den Kundenanforderungen zu entsprechen.

Terms and Conditions

Order	Minimum order is 100 €
Credit	All orders are subject to the approval of our credit department. If you are a new account, please furnish us with a bank reference and three supplier references. A credit limit will be imposed on new accounts until credit has been established.
Payment	Terms are net 30 days.
Cancellation	In the event an order is cancelled, a charge will be made to cover labour, materials and overheads.
Returned Material	A handling charge of 25% is made on all standard parts returned for credit. Written permission and shipping instructions must be obtained before the return of any material. Special tooling cannot be returned.
Claims	All claims for shortages must be made within 3 days of the invoice date.
Prices	Prices and specifications subject to change without prior notice. E & O E. All prices are exclusive of VAT.
Delivery Charge	All orders are subject to a delivery charge. Please call the sales desk for a delivery quotation.

Termini e Condizioni

Ordini	Importo minimo 100 €
Offerta contrattuale	Le ordinazioni che pervengono alla nostra società si intendono accettate solo se confermate per iscritto. La Tp Tooling si riserva il diritto di rifiutare la proposta e/o l'ordinazione qualora la società acquirente non fornisca prova adeguata della propria identità e/o ragione sociale, sia stato inadempiente nei nostri confronti, risulti iscritto nell'elenco dei protesti o soggetto a procedure esecutive o giudiziarie.
Pagamento	Salvo contraria pattuizione da concordare ordine per ordine, il pagamento dovrà essere effettuato con R.B. a 30 gg D.F.F.M. I pagamenti devono inoltre essere effettuati nei termini e con le modalità precisati nella conferma d'ordine.
Cancellazione ordine	In caso di cancellazione dell'ordine saranno addebitati i costi di produzione sostenuti.
Resi	I resi dovranno essere autorizzati dalla Tp Tooling prima di essere spediti. Gli utensili standard potranno essere resi addebitando comunque all'Acquirente un importo pari al 25% del valore della stessa fornitura. Gli utensili speciali non potranno essere resi.
Reclami	Eventuali reclami dovranno essere resi noti per iscritto alla Tp Tooling entro e non oltre 8 giorni dal ricevimento della merce.
Prezzi	Il prezzo è quello in vigore al momento della sottoscrizione della conferma d'ordine, fatta eccezione per eventuali aumenti imposti dal mercato.
Consegna	Il prezzo si intende per resa franco stabilimento Tp Tooling
